Dear Parents

**School Fund**

The School Fund is money that is donated to the school each year from parents, friends and charitable organisations.

Every year we ask all of our families to make a donation in to the School Fund.

I am aware that money is tight everywhere, however this money is spent on your children to enhance their experience in school. Along with all other schools, we rely on School Fund to be able to do this. All we ask from you is £20 per family a year (you can pay in instalments if this is easier).

Over the last couple of years, the donations that we received meant that we were able to:

- Pay the cost of setting up our new School Website and continue to maintain it;
- Subsidise all School Trips;
- Buy books and other resources for the library;
- Buy additional equipment for the classrooms to help the children with their learning.

In addition, we are able to add to the enjoyment of special occasions such as; providing crackers to accompany their Christmas Lunch and prizes to reward attendance.

Please help us to give your children the extras that they enjoy and that add so much to their learning and overall experience of school.

Yours sincerely,

Jacky Underwood  
Head Teacher
