

Hedgehog Class

19-3-20

Dear Parents,

While your children are at home with you over the next weeks or months, it is important they keep practising their SET 1 and SET 2 sounds from the sheet we sent home a while ago. They also need to keep practising writing their name and lots of other words, using FRED FINGERS and FRED TALK. It would be good practise to keep counting back and forward to 20, starting at different numbers and saying what is one more and one less than a given number.

We have enclosed a letter/number/RED words strip with correct letter formation to help.

We have also enclosed a 'Spring Home Learning' Challenge sheet to help you with ideas to keep busy!

Here are some useful websites that are free to access and the children will recognise a lot of the games we use in class:

[ictgames.com](http://ictgames.com)

[phonicsplay.co.uk](http://phonicsplay.co.uk)

[topmarks.co.uk](http://topmarks.co.uk)

[oxfordowl.co.uk-for-home](http://oxfordowl.co.uk-for-home)

Thank you for your continued support. Stay well and safe.

Mrs Mason & Mrs Henderson
