

20th April 2020

Dear Parents and Badger Class,

We hope this letter finds you all safe and well.

As we move into the Summer Term with continued uncertainty about when school life will get back to normal we thought you might like some new ideas for home learning. We hope you have managed to do some reading and learning over the last month and that it has been enjoyable.

As before we have included some websites that are worth visiting.

REMEMBER: Always supervise children when they are using the internet.

topmarks.co.uk/maths-games

Hit the Button is one of our favourites on this site

Discoveryeducation.co.uk

In the LOGIN box select Espresso username-student28818 password-meadowcroft

This site covers much more of the curriculum Choose KS1 which is for Years 1 and 2

[White Rose Maths](#)

Select Home Learning

Choose activities for Year 1 or 2

[Kiddle](#) This is a search engine for children and has more child friendly content to assist home learning

[P.E with Joe Wicks](#)

The Body Coach TV
You Tube

A daily fun PE lesson to burn off excess energy!

On the next page you will find a grid with suggestions of activities that you can complete in any order you choose. The activities relate to topic work we would have been doing in class.

If you wish work can be done in Homework books.

Please continue to read as frequently as possible. Maths activities can be found on the White Rose maths site.

Remember whatever site you are using to look for Key Stage 1 resources and Years 1 and 2. Keep the learning fun and varied.

Board games are a great way to teach sharing, taking turns, reading, maths, strategy, organisation and how to be a good winner or loser!

We hope that it is not too long before we are all back to school but until then please stay at home and stay safe.

Mrs Spice and Mrs Penfold

Badger Class suggested table of activities for the Summer Term

<p>Science</p> <p>Grow your own beanstalk</p> <p>Plant a runner bean and keep a diary of the care you give it and how it grows. Label the illustrations and include measurements where possible</p> <p>See Espresso website</p>	<p>Geography</p> <p>Hampton Court</p> <p>Hampton Court is a very famous landmark. Find out as much as you can about it. When was it built? Who lived there? And much more! Use its website and Kiddle to help you.</p>	<p>English</p> <p>Reading</p> <p>Choose a reading book. Once you have read it make a list of the nouns, verbs and adjectives you can find.</p> <p>If your book is very long just do this activity for one page or one chapter.</p> <p>Espresso can remind you what nouns, adjectives and verbs are</p>
<p>History</p> <p>St George is the Patron Saint of England</p> <p>Find out about him and the myth that surrounds him.</p> <p>Draw a picture of a dragon</p> <p>Use Kiddle and Espresso</p>	<p>D.T.</p> <p>Help prepare a meal for your family.</p> <p>Talk about where all the foods have come from. Can you find all of the countries on a map of the world?</p> <p>Discuss with your family if this is a healthy meal. What makes a healthy meal?</p> <p>Espresso</p>	<p>History</p> <p>Find out about a King or Queen from the past.</p> <p>Compare their life and time to that of our Queen, Queen Elizabeth II</p> <p>Kiddle for historical information Espresso for Queen Elizabeth II</p>
<p>Science</p> <p>In our learning about living things we need to be able to identify if something is dead or alive or has never lived.</p> <p>Make a list of things in and around your home that are living, dead or have never been alive.</p> <p>Espresso</p>	<p>English</p> <p>Learn to write your full name ready for Year 3</p> <p>Make sure you know when your birthday is.</p>	<p>Science</p> <p>We have looked at habitats this year. We now need to think about micro habitats. If you have access to an outside space a part of this would be a micro habitat.</p> <p>What lives there? What are the conditions like for the plants and animals that live there?</p> <p>Can you find another micro habitat?</p> <p>How is it different?</p> <p>Espresso</p>
<p>Geography</p> <p>Draw a map of a treasure island. Add landmarks e.g. volcano, river, school, shop, harbour etc</p> <p>Add compass points to your map.</p> <p>Write sentences to explain what can be found in the North or the South, the East and the West.</p> <p>BBC bitesize Espresso</p>	<p>English</p> <p>After reading a book pretend you are going to interview the author. Think of 4 questions you would like to ask them. Write the questions and then write what you think the answers will be.</p>	<p>English</p> <p>Re-write a favourite story changing an aspect such as the main character or the problem or the setting.</p> <p>The 3 Little Pigs could become The 3 Little Mice with a Big Bad Cat after them!</p>
