

Dear Parents,

20th April 2020

We hope this finds you safe and well in these strange times. We appreciate that life is difficult for us all, and keeping the children occupied can be tiring. Please find below a suggestion of activities that the children can do to keep them thinking and learning. A little everyday will help them when we move on from the lockdown. Remember to keep reading.

Wishing you and your families all the best. Stay in, safe and well. Mrs Kennett and Ms Bridges
