

Hedgehog Home Learning - Week of 4th - 7th May 2020

Phonics, Reading & Writing

***Parents** - This week's set 2 sound lessons are: **air/ir/ou/oy/ay**-repeated.

If you have been looking at the 'Speedy Green Words Slideshow, make sure you are only looking at **Red Ditty Books**.

***Children** -Every day with an adult, watch the set 2 sounds lesson of the day at 10am. Practice writing it on paper and then think of a word with that sound in it and use **Fred Fingers** to write it down also. Get your adult to think of more words with that sound and write them too using **Fred Fingers** to help you. Choose one word and put it into a sentence and write it. **Remember a capital letter, finger spaces and a full stop.**

***Parents** - Follow the link: <https://home.oxfordowl.co.uk> for more RWI free resources. When you scroll down you will find '**Ditty Sheets 1-28**'. **Your child can carry on reading one of these a day (11-15 this week)** *Dictate one of the sentences in the ditty for your child to write. They should continue to remember a capital letter, finger spaces and a full stop without you reminding them!

Maths

*Watch the **Numberblocks** episode '**Sing with Ten**' on YouTube at:

https://www.youtube.com/watch?v=yo_aFW5WO-0

*Then using wooden blocks or Lego bricks or something similar, build lots of ways of making 10, like you saw the numberblocks do.

(Get your adult to take a photo)

Physical Development (PE)

*Join Joe Wicks every week day at **9am** on YouTube OR

*How many STAR jumps can you do? In 30 seconds, or one minute. Challenge your adults to do it with you!!

MAY BIRTHDAYS

Happy Birthday to:

MOLLIE
MAISIE LEE

Understanding the World

*This Friday (8th May) is a Bank Holiday to mark the 75th anniversary of VE (Victory in Europe) Day. This was an important day in 1945 that marked the end of World War Two in Europe. People everywhere celebrated with parties, dancing, food, **bunting** and lots more. It was a happy day, but also a sad time remembering all the soldiers that had died. You might be able to ask your grandparents or great-grandparents if they have memories of this time.

Communication & Language

*Continue your learning about VE Day and make some Union Jack bunting.

*Bunting is triangle shaped flags, all joined together.

*You can use paper and pens and string or Sellotape to make your own.

Personal, Emotional & Social Development

*Enjoy lots of family time and enjoy reading stories together throughout the day. Point to the sounds in the story that you saw in phonics each day.

*Write a letter to Mrs Mason and Mrs Henderson. We would like to thank **Tilly** and **Elizabeth** for their letters and to **Sirus** and **Kendra** for the pictures they sent to us. Well done to all four of you ❤️

*Hopefully the postman will be delivering us lots more very soon.

Expressive Arts & Design

*Using cotton buds, pasta, junk or whatever else you are allowed to use, make a skeleton picture of a dinosaur.

Topic

*Watch 'Stegosaurus Facts' on CBeebies at: <https://www.youtube.com/watch?v=m1OG4SxKjxU>

*With your adult's help, find out how many plates they have down their back and why their plates change colour.

Draw a picture of a Stegosaurus and draw the correct number of plates on their back and colour them the colour that they change into. You could do them like George Seurat and use dots.

Don't forget to take photos and keep copies of all work and write your NAME and SHORT DATE on all of it!!
