Dear All,

As I hear of another local school having to close Bubbles today, I once again breathe a huge sigh of relief that Meadowcroft has managed to remain open throughout the entire autumn term. For the majority of our children to have had an entire term of uninterrupted learning is invaluable – especially after losing so much learning time last year. I hope this can continue in to the new year.

### What should I do if my child develops coronavirus symptoms once we have broken up?

The Government has agreed a 6 day window after the final day of teaching in which schools are asked to remain contactable to assist with tracing as necessary. This time frame will allow enough time for positive coronavirus cases to be identified and confirmed with a test and for relevant contacts within the school to be traced. If your child develops symptoms and tests positive between **17 – 23 December** please [email](#) the Office.

### Break Up for Christmas

Further to my email earlier this week please note that following Government recommendation we will finish for Christmas at 12 noon on Thursday 17 December.

Children will watch each others Christmas Plays in their class Bubbles via 'The Big Screen' on Wednesday.

Meadowcroft Players will perform their inaugural performance of Cinderella on Thursday morning – wish us luck!!

### Questionnaires

Thank you to those of you that have completed our end of term questionnaire. If you are yet to fill yours out, please do so and return to us by the end of term – thank you.
