Dear All,

Well, here we are almost at the end of term; we made it! I don't know whether to breathe a huge sigh of relief or cheer! **Thank you** to every single one of your children who have adapted so well to the changes we have had to make at school and for being such a pleasure to teach, they really do make us smile every day, which has been just what we needed at times. **Thank you** to all of you parents for your continued support and cooperation. And, a huge **THANK YOU** to all of the staff here at Meadowcroft who have done exceptionally well at maintaining a safe and happy place for your children to learn and play alongside friends in their Bubble.

What should I do if my child develops coronavirus symptoms once we have broken up?
REMINDER: The Government has agreed a 6 day window after the final day of teaching in which schools are asked to remain contactable to assist with tracing as necessary. This time frame will allow enough time for positive coronavirus cases to be identified and confirmed with a test and for relevant contacts within the school to be traced. If your child develops symptoms and tests positive between **17 – 23 December** please [email](#) the Office.
